9) Attention is invited to para 4 of the G.O. of 26.10.1914. As combined leave is not short leave, there is no objection to acting arrangements being made during the whole period of the leave which should be considered as one. It is not clear why then acting appointments are made as the acting men cannot get any allowance as the minimum of the pay of the higher division viz 400 is very much more than what they are already in receipt of.
